About Anna University:

Anna University was established in the year 1978 and in the year 2001, the University became an affiliating university, taking under its wings all the Engineering colleges in Tamil Nadu.

About CFD:

The Centre for Faculty Development, Anna University strives for providing quality education to the students of all Engineering colleges in Tamilnadu. It organizes and supports faculty development program in all the disciplines to enrich the knowledge of the teaching fraternity. It promotes quality education through NPTEL courses, MOOCS and spoken tutorials. Short term courses prior to the semester is another venture to ensure quality education.

About JIT:

JIT is a world class Engineering College with a vision to be in the forefront of Technical Education and Research worldwide. JIT is the second venture of the Jansons Foundation in the field of Higher Education. JIT offers Bachelor's Degree programmes in CSE, ECE, EEE, Mechanical Engineering and Civil Engineering and Masters Degree in VLSI Design, Power Electronics and Drives and Computer Science and Engineering. JIT is approved by the AICTE and the Government of Tamil Nadu, and is affiliated to Anna University, Chennai.

JIT, guided by its motto, 'the most preferred destination for Technical Education', takes every effort to create infinite opportunities to students for their professional development. JIT employs the finest brains in Technical Education as its faculty to lead its students to a fruitful learning. What sets JIT apart is its world class infrastructure coupled with the best teaching practices of its highly qualified and experienced faculty. Its commitment to provide quality education to its students and to present the finest talents to industries worldwide.

About EEE Department:

The Department of Electrical and Electronics Engineering was established during the academic year 2010-11 with a vision to deliver quality education to the students. The Department has qualified and committed faculty members with good academic records and publications. The laboratories are well equipped with modern instruments and renders world class learning and research environment.

The Department has an active IEEE student branch and promotes different club activities loaded round the year. Many seminars, workshops, guest lectures, value addition programmes are organized regularly to enable development of the students in various spheres and make him campus ready. The department promotes R & D activities and provides excellent opportunities for the development of the students and teaching faculties.

Objective of the Course:

- ◆ The objective of this programme is to introduce the principles of Power System and Operation and Control.
- ◆ To provide a comprehensive knowledge of load forecasting, LFC control, economic dispatch, methods of real and reactive power control with compensation techniques, unit commitment and computer control of power systems .
- ◆ To introduce the recent trends in power system control with an insight into SCADA and EMS .

This programme will enrich and facilitate the faculties teaching the subject EE6603 - POWER SYSTEM OPERATION AND CONTROL. The subject is offered for the sixth semester B.E. Electrical and Electronics Engineering students.

Resource Persons:

Eminent Professors from Reputed Institutions

ORGANIZING COMMITTEE

CHIEF PATRON : Vice-Chancellor
Anna University
Chennai.

PATRON : Dr.S.Ganesan
Registrar
Anna University,
Chennai.

CHAIR : Dr.K.Shanthi
Director, CFD
