Event Objective

The main objective of this camp is to create an immune-free society and make ease the availability of covid vaccines to get doses to develop immunity to fight against the rapidly spreading virus.

Event Summary

Our college NSS Unit along with Rotary Somanur organized a free COVID vaccination camp on our college campus on 13.11.2021. Ms. Tamilarasi, Nurse from Primary Health Centre, Karumathampatti assisted the team to vaccinate the students, faculty and public. We had a registration of the people who are willing to vaccinate with the help of NSS and YRC volunteers. We ensured people that those who got the first dose of vaccination should have the generated certificate with them so that they can get the second dose of vaccination with regard to the same vaccination on the first dose. In this camp, we provided both Covishield and Covaxin, the details are given below
 Covishield – 180 numbers
 Covaxin – 9 numbers
 Totally 189 doses were used to vaccinate the students, teaching and non-teaching faculty members, and people from nearby area. Mr. Harris prasanna, II AI, gave vote of thanks.

Event Outcomes

Through this camp, more number of people is get vaccinated and their life was saved. Also our NSS volunteers learned about the organising skills.
