Event Objective

The main motto for this event is to create awareness about soil importance to the village people.

Event Summary

On 23.03.2022, NSS volunteers visited Chennappachetty Pudur village and created awareness about soil importance to the people by the "SAVE SOIL CAMPAIGN". This programme is organized by the National Service Scheme (NSS) in associated with Padhuvampalli Panchayat. Our Volunteers Mr. Sanjay Kumar initiates the programme with welcome address. On that day our NSS volunteers directly visited each and every house of the Chennappachettipudur village and they said "Don't allow anyone to take soil in riverside", "Don't cut the trees", "Grow more Trees", "Support soil-friendly agro ecological farming" in this way we create awareness to the people through rally. Peoples also were very interested to gain knowledge and the first step they took was, they "planted one plant in their house". Most of the people said "we changed to organic farming". At last Ms. Ram Priya V, II CIVIL gave a vote of thanks.
