## Event Objective

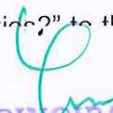

Cataract is the major cause of blindness, our main objective of conducting eye camp is to identify people with cataract and eye sight disabilities and suggest them to the necessary treatment. To identify the issues that may not be encountered by the participants any before and to give the proper direction to take their medication.

## Event Summary

On 28.04.2022, "EYE CAMP" organised by NSS & YRC in association with "ARAVIND EYE HOSPITAL COIMBATORE". In this day Doctors and Nurses from ARAVIND EYE HOSPITAL take the complete eye check-up for the students, faculties, workers and nearby peoples, of Jansons Institute Of Technology. The eye camp has been conducted not for the people who have issue in their eyes but also for all the students, faculty members and workers to help them know the health status of their vision. People with more complications in their eyes were directed to the hospital and people with fewer complications were given normal medication procedure that has to be followed. Women participants who took part in the camp have got spectacles for free like reading glasses. NSS and YRC volunteers organised this camp with great enthusiastic spirit and made the camp beneficial and ran the entire camp smoothly without giving any second thought for unexpected rising chaos.

All of them were interacted with the doctors and cleared about their doubts. Doctors gave the instruction for "How to recover their eyesight's?" and "How to prevent the eyesight's disabilities?" to their

participants. Finally doctors suggest the treatment to the some participants and freely distributed spectacles for women's at the age of above 45.

### Event Outcomes

Due to this event, Over the 500 participants got benefitted and nearly 60 female participants at age of above 40 got free spectacles from "ARAVIND EYE HOSPITAL COIMBATORE". This camp has been great service providing one for the well-being of people.
