### **Outcomes of NSS activities:**

Through regular and special camp activities, the following outcomes are achieved,

- NSS helps the student to grow individually and also as a group.
- Swachh Bharat activities are helping them to know about the management of waste and way of waste disposal.
- It helps them to become socially responsible person in society.
- Basic awareness about sanitation, health, hygiene, environmental conservation practices, cleanliness and tree plantation programmes are created more impact on young minds.
- Volunteers are learning more things and also try to educate the village people in all possible ways. So both the ends are benefitted.

- Student's communication skills are developed because of organizing so many activities.
