

KEY ELEMENTS BOOTCAMP

ABOUT JIT - IIC

Institution's Innovation Council (IIC) of Jansons Institute of Technology has been established to steadily foster the culture of Innovation among the students across various departments. Ministry of Education (MOE), Govt. of India has established the Institutions Innovation Council' among Higher Education Institutions across India during 2019. The focus of IIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes. IIC is established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.

BOOTCAMP FOCUSES ON

To help move from theory to reality the Innovation Team at JIT-IIC, will host an Innovation Boot Camp in our institution from May.10-13 & 20,2023. Participants will have the opportunity to immerse themselves in the practices, behaviors, and culture that have required for 21st century .The Innovation Boot Camp is 5-day hands-on workshop structured to help participants quickly improve their innovative thinking while immersing themselves in activities that will help them practice new innovation skills on real opportunities.The Boot Camp will provide participants:

- Lectures from seasoned, experienced innovators who can speak to the real-world issues and scenarios.
- Discussion opportunities with Innovation Ambassadors, thought leaders and experienced innovation practitioners working closely in small teams
- Innovation best practices that will give participants the skills to generate innovative ideas, determine which of those ideas are impactful, and what it takes to change them into game-changing innovations.
- Strategic storytelling to help participants create a compelling overview of their idea in order to participate in Hackathons and Innovation Challenges.
- Ongoing access to an innovation community of peers.
