### Event brief (500 words with photo):

The Event " TALKATHON'21! " was held on 25.05.2021 at 4.00 pm via online. The Session started by greeting members of the club and contestants, who are going to take part in the event. Later, the participants started giving their speech one by one. The Participants gave their best and exposed their skills in delivering the content. They also shared useful technical information like how AI and ML have been applied in real life. Club members have shown the keen interest in TALKATHON21!

Some of the topics covered during the session are as follows,

- Artificial Intelligence
- Data Science
- Machine Learning

The Closure of the event was given by Sasi Kumar of I year AI. The Session acted as a platform for our budding engineering to come out of any kind of stage fear.
