<b>Event brief (500 words with photo):</b> The National Energy Conservation Day is being celebrated every year on December 14 since 1991. The Bureau of Energy Efficiency (BEE), under Ministry of Power spearheads the celebrations every year. National Energy Conservation Day is celebrated to create awareness about the need for energy conservation among people. The day also highlights measures in which ordinary people can come together and lessen their energy consumption. In this regard <b>Institution Innovation Council &amp; Energia Club</b> of Jansons Institute of Technology organized an event on <b>“Awareness Campaign on Energy Conservation”</b> . The Event was conducted at Semmandapalayam (Village), Coimbatore by an Energia club members of Jansons Institute of Technology. Our Energia Club members and faculty members created awareness for energy conservation and energy savings importance.	
<b>Outcomes</b>	Created awareness about the energy conservation process and its importance
<b>Feedback</b>	Students are motivated by village peoples for their social responsibility.
<b>Suggestions / Future actions</b>	More Campaigns to be organized in future.
