Event Objective

The objective of the idea presentation event is to focus on incubating high-potential student ideas into real-life business ventures.

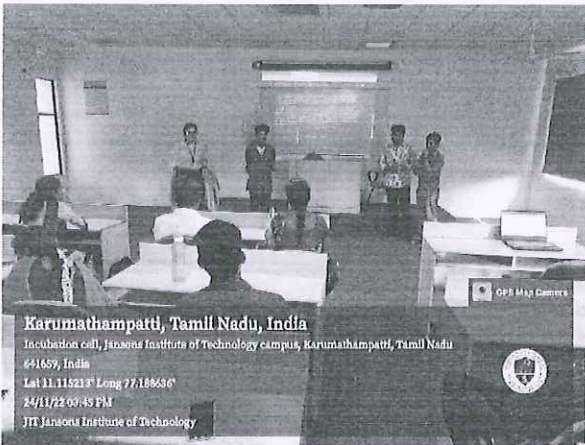

Event Summary

An Idea Presentation event "INNAIATHON 2022" has been organized by IIoT Club in association with JIT-IIC on 24.11.2022. IIoT Club members actively participated in the Idea Presentation and shared the novel ideas that are adequately researched, well-thought through and rationally presented with supporting points. An ideathon is a short, intensive, brainstorming event to help young talents generate fresh solutions to existing challenges in their communities. Participants work in teams and use innovative ideation practices such as design thinking to brainstorm on possible solutions.

The event was chaired by Dr.P.Gowtham, ASP/ECE and Prof.N.Krishnapriya, AP/ECE, JIT Innovation Ambassadors, who showed a lot of interest and appreciation for all the ideas and also encouraged the students spirit of innovation and harness the enormous potential to think big and dream of futuristic ideas.

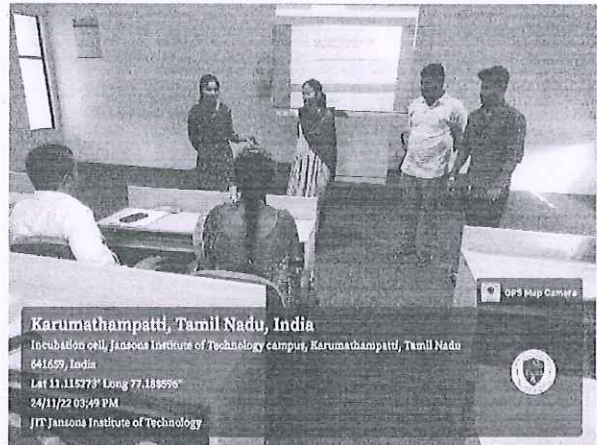

IIoT club members formed teams and presented their innovative ideas for the problem statements identified from Hackathon problems and elaborated the different perspectives of the ideas picked. The session ended with the interaction of the students with the Innovation Ambassadors.
