Event Summary

“Poetry is simply the most beautiful, impressive, and widely effective mode of saying things.”

Matthew Arnold

An Inter-department Tamil Poetry Competition was organized on 12th August, 2022 through online mode.

Beauty is the realm of poetry; the students enthusiastically participated in the competition as they got an opportunity to exhibit their talent and confidence. The competition inspired the young poets to come forward and recite. The students came up with different poems on the theme **“Munnetra Pathaiyil Sudhanthira India”** and recited them with great fondness and zeal for the country. They enjoyed the perfection of expression, thoughts, emotions, rhythm and music of words.

The participants from all the respective departments left no pebble unturned to win for their department. Students were judged on the parameters like confidence and overall presentation.

The young poets enthralled with their articulation and skills while reciting poems. It was a splendid opportunity for them to gain confidence through exposure. Everyone was delighted after seeing their pleasing performances.
