DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Report

Name of the Program / Activity / Event / Others	Guest Lecture on "Recent Trends in Data Analytics"
Date & No. of days	07.02.2020 – 1 Day
Organized by	CSE
In association with	-
Venue	Seminar Hall
Participants/ Beneficiaries	II CSE students of JIT

Event brief (500 words with photo):

The Department of Computer Science and Engineering of Jansons Institute of Technology organized a Guest Lecture on "Recent Trends in Data Analytics". The guest lecture started with formal inauguration and the Session was handled by Prof. Ms. Mishmala Sushith who focused on introduction and concepts of Data Analytics in the inaugural session. The next Session dealt with the Recent Trends in Data Analytics: Augmented Analytics, Embedded Analytics, Predictive and Prescriptive Analytics Tools, Data Automation, Data Quality Management and various applications of Data Analytics.

The students had eagerly participated in the innovative session and learned about the data analytics concepts and had got benefited. More queries were solved during the sessions and the lecture ended by 3.30 P.M with positive feedback from the students.

Outcomes	Students learned about the recent trends of data analytics concepts and benefited
Feedback	The different data analytical tools were understood by the students
Suggestions / Future actions	Planned to conduct more guest lectures
