Event brief (500 words with photo):

Department of Computer Science and Engineering Organized a Webinar entitled “**Job Prospects in IT industry**”. The session was taken forward through online on 28th August 2021. Ms.S.Sreenithi (2016 - 2020), Assistant System Engineer, Tata Consultancy Services, Chennai was the Resource Person for the Session. She interacted and shared her knowledge on experience and a good foundation of technology and soft skills and makes it less intimidating among the participants.

Participants were briefed about how,,

- ✓ To take any assigned task willing fully
- ✓ To design, support and maintain computer hardware and software
- ✓ Finding the right graduate job in IT with the right employer
- ✓ Opportunities for improvement of business operations
- ✓ To develop and implement IT systems

Jansons Institute of Technology

Karumathampatti, Coimbatore – 641 659

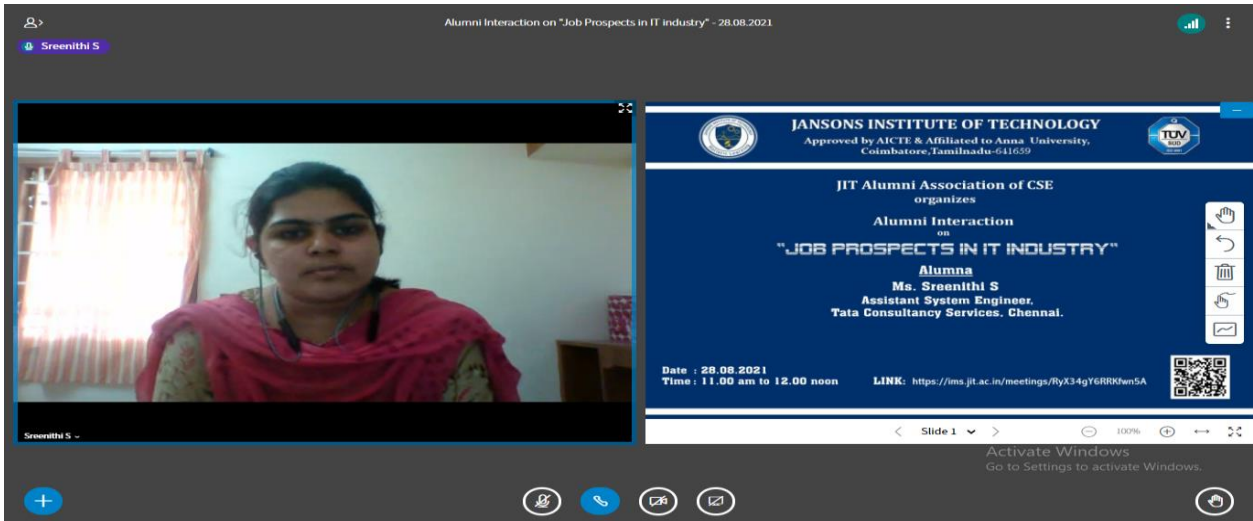

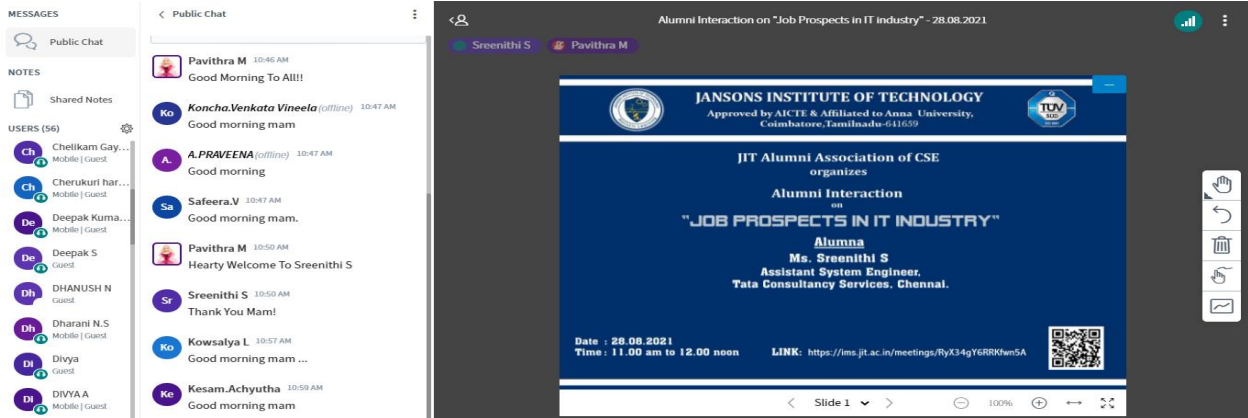

- ✓ Create a plan to make goals possible
- ✓ Software, hardware and computer systems for different technological issues

Outcomes

Participants gained knowledge about career opportunities in the IT industry and how you can begin your journey of becoming an expert in a certain field.
