**ABOUT THE NSTEDB-DST**

The National Science & Technology Entrepreneurship Development Board (NSTEDB), established in 1982 by the Government of India under the aegis of Department of Science & Technology, is an institutional mechanism to help promote knowledge driven and technology intensive enterprises. The Board, having representations from socio-economic and scientific Ministries/Departments, aims to convert “job-seekers” into “Job-Generators” through Science & Technology (S&T) interventions.

**OBJECTIVES:**

- To promote and develop high-end entrepreneurship for S&T manpower as well as self-employment by utilizing S&T infrastructure and by using S&T methods.

**ABOUT THE INSTITUTION**

Jansons Institute of Technology (JIT) is a world class Engineering College having a vision of being in the forefront of technical education and research worldwide. JIT is the second venture of the Jansons Foundation in the field of education. JIT offers Bachelor’s Degree programmes in CSE, ECE, EEE, Mechanical Engg, Civil Engg and Masters Degree in VLSI, Power Electronics & Drives and Computer Science & Engineering in its most modern state of the art campus located 25 km away from Coimbatore on the Coimbatore Chennai National Highway in Tamilnadu.

JIT has been promoted by the Jansons Business Group, a textile major with significant presence in granites and health care.

**ABOUT THE COURSE**

An Entrepreneur is a creator or a designer who designs new ideas and business processes according to the market requirements and his/her own passion. To be a successful entrepreneur, it is very important to have managerial skill and strong team building abilities. Leadership attributes are a sign of successful entrepreneurs. Some political economists regard leadership, management ability, and team building skills to be the essential qualities of an entrepreneur.

An Entrepreneur is an innovator or a creator who introduces something new to the firm or economy. It can be a new method of production, a new product, a new source of material, a new market or any other similar innovation.
