Event Summary

The Institution innovation council of Jansons Institute of Technology organised an event on “Thiran - Innovative Idea Presentation Contest” in association with JIT – Entrepreneurship Development Cell. The event started with a welcome address by Dr.M.M.Matheswaran, IIC President. Followed by Tamil Thai Valthu, Guest profile read by Dr.P.Gowtham, ED Cell Coordinator. This Event was organised on 15.09.2022 and the **Dr.K.Mahendran, ASP/EEE** and **Mrs.AgnesPreethi, ASP/Civil Engineering**, Jansons

Institute of Technology, Act as a Chief guest of the session. This event was organised to enhance the research and analytical skills of the students in their respective specialization. With a view to the promotion of new ideas in the existing technology and its application in a smart built environment. 12 teams and 43 student members actively participated and they shared their innovative ideas. Participants included a broad mixture of students from core as well as their allied branches, presenting models to strike the fascination of the observer either by the technical creativity that conceptualized them, craft employed in actually creating the model, unconventionality of the thought in harnessing energy for a better future, etc. The participants comprised of students from the Artificial Intelligent and Data Science, Computer Science Engineering, Electronics and Communication Engineering, Civil and Mechanical Engineering branches. Judgment Criteria: Based on the presentation marks were allotted to the teams. Winning team: Team 3 was declared as Winner of the event by judge panel. The ended with a vote of thanks by Dr.M.M.Matheswaran, IIC President.
