Event brief (500 words with photo):

An awareness programme on Intellectual Property rights was conducted for the EEE students on 6.3.2019 between 11.00 am and 12.10 noon. About 35 students attended the seminar. The seminar was handled by Dr.T.Meenakshi, coordinator of IPR cell. The aim of the seminar was to instigate awareness about IPR, its components among the students. The patent, trademark, copyright, industrial design was explained with examples and the importance of patenting for the research findings was also discussed. Examples were quoted for patent of Neem products, Turmeric powder etc. The connection of start up with IPR, monetary benefits from IPR was also discussed.

Intellectual Property Rights cell, Jansons Institute of technology organized a seminar on **"Intellectual Property rights and students Innovations"**, 6th March 2019

Outcomes	The students learnt about literature review, problem preparation and method result preparation for a journal paper
Feedback	The session was appreciated by the faculty and students

Faculty In-charge
