Event brief (500 words with photo): An awareness seminar on Intellectual Property rights (IPR) was conducted to all faculty members of JIT on 28.11.2019 between 9.30 am to 3.30 pm at LH22 with the aid of NPTEL videos. The speaker was Prof. K.D. Raju, Rajiv Gandhi Institute of Intellectual Property law, IIT Kharagpur. About 29 faculty attended the seminar. The participants were welcomed by Dr. T.Meenakshi, IPR cell coordinator followed by the video lecture. The seminar addressed the concept of IPR and the different components of IPR. An elaborate lecture was provided on patents, Industrial Design, Integrated circuit layout design. An insight on the history of patents, things that could be patented and restrictions on patent was also provided. The faculty found the lecture to be informative.
