Event Objective

To create an awareness on startup ecosystem in india for promoting students' driven innovations & start-ups ecosystem and the growth of the startup sector of India and the key issues faced by the sector. To explain the importance of various innovation startup ecosystem and entrepreneurship-related activities in time bound fashion. To outline the focusing on quality of startup ecosystem in india and trying to measure the real impact created by the startup innovations ecosystem in india.

Event Summary

The Startup Day each year will focus on India's amazing entrepreneurs and will also help us redouble our collective efforts to achieve even greater heights to help us build startups that tackle the greatest challenges. Two of our students established their start-ups in our institution. Mr.M.Gokul, final year CSE Founder of **Fiche technologies** and Mr S.S. Haswanth second year CSE for **He5 Solutions** got their keys for their Startup centre.

Mr.Vishnuvardhan B, People Manager, Sparkout Tech Solutions Private Limited , talks about the growth of the startup sector of India and the key issues faced by the sector which is a framework to envision an educational system oriented towards start-ups opportunities for student and teachers. It provide ways for developing startup agenda.It is an era of unprecedented innovation and disruption benefitting from the surge of start-ups, armed with transformative products, business models, and capital to take on the world. Ms.Niddhisha Mohanraj,Productive Spot, Founder,talks about Start-Up Ecosystem and explains the need of women entrepreneurs. Mr. Krishna Dakshinamurthy,Just Appraised - CA, USA [Remote],Senior Business Operations Manager, explain challenges that act as a hindrance in realising the true potential of startups in India.
