Event brief (500 words with photo):

A guest lecture on Ethics in Engineering Research was organized by the Department of Electronics and Communication Engineering for the faculty members of JIT. Faculty members from other departments of JIT actively participated in this guest lecture and got an insight on various research methodologies and ethics to be followed in research. Dr.T.Meenakshi, Associate Professor, Department of Electrical and Electronics Engineering Department of Jansons Institute of Technology delivered key note address. 30 members got benefitted out of this guest lecture. The speaker explained how a good research facilitates in the development of the society. The speaker further highlighted the duties of a critical scholar and how the same would affect the quality of research. The lecture also touched upon another critical aspect with respect to the qualifications or traits to be present in a research scholar. Some of such attributes includes being scientifically faithful with the research, objectivity, potential to edit the document and ensuring proper acknowledgement of the sources from which relevant ideas have been taken for carrying out the research.
