### Event brief (500 words with photo):

A Two Days Workshop on “Role of IPR in Innovation Management for Academia – Industry Collaboration” was conducted by the Department of Computer Science and Engineering, Jansons Institute of Technology on 07.08.2019 & 08.08.2019. Students of Computer Science and Engineering were participated in the seminar and a total of 52 participants (49 Students and 3 faculties) were actively involved in the session. The Session was handled by Dr A Velayudham, Professor & Head, Department of Computer Science and Engineering, Jansons Institute of Technology, Coimbatore. The Workshop was well structured and covers various aspects on Intellectual Property Rights (IPRs) that are concerned with the protection of tangible and intangible property. It provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. The main aim of workshop is to impart greater awareness about the issue of IPRs, which gained a special importance for all the domains of socio-economic development.
