Organized by	Department of Computer Science and Engineering
In association with	---
Venue	Lecture Hall
Participants/ Beneficiaries	Second Year, Third Year and Final Year CSE Students

Event brief (500 words with photo):

A One Day Seminar on “Start-up, Innovation & Creativity” was conducted by the Department of Computer Science and Engineering, Jansons Institute of Technology on 26.02.2020. Students of Computer Science and Engineering were participated in the seminar and a total of 45 participants (40 Students and 5 faculties) were actively involved in the session. The Session was handled by Ms. Ashwini R, Assistant Professor, Department of Computer Science and Engineering, Jansons Institute of Technology, Coimbatore. The Seminar was to One of the key requirements for entrepreneurial success is your ability to develop and offer something unique to the marketplace. Over time, entrepreneurship has become associated with creativity, the ability to develop something original, particularly an idea or a representation of an idea. Innovation requires creativity, but innovation is more specifically the application of creativity. In the entrepreneurial context, innovation is any new idea, process, or product, or a change to an existing product or process that adds value to that existing product or service. To create a policy framework to guide all the stakeholders regarding various regulations, modalities, procedures, and facilities available to support and assist the innovation and entrepreneurial activities. To create an institutional framework to carry out innovation and start-up support activities. To provide a system to facilitate start-ups in every step

of their entrepreneurial journey. To facilitate optimal utilization of various resources already available in the institute for support of innovation and start-up activities.

Outcomes	Participants gained knowledge about Startups, Creation & Innovation
Feedback	Participants were satisfied with the contents and delivery.
Suggestions / Future actions	More number of sessions can be planned.
