Institutional CGPA

: 3.497

### Academic and Administrative Audit Report (SWOC)

### Institutional Strength

- Students are offered digital technology courses through Industry Readiness Courses (IRC) and one/two credit Value Added Courses (VAC) to students which focus on job ready skills development.
- Institution follows the Choice Based Credit System, which allows the students to choose their course from a list of core elective and open elective courses.
- Training Faculty members in the emerging field of digital technologies to meet up with new technology and leveraging Information and Communication Technology in the teaching and learning process.
- Center for Corporate Relations (CCR), a dedicated team for providing students with the requisite employability-oriented skills.
- Apart from regular academics, opportunity to participate and excel in sports activities through the Professional Societies/Chapters, technical and non-technical clubs to develop leadership skills, technical skills and to nurture their passion.

#### **Institutional Weakness**

- Funding for research activities from funding agencies is in its initial stage.
- Entrepreneurship and Incubation centres activities at an early stage.
- Initiating student and faculty exchange programs with foreign Universities.

## Institutional Opportunity

- Become an Autonomous institution to have control over curriculum design and development.
- Enhance alumni engagement to develop collaborative research and placement activities.
- Establishing centre for excellence in emerging digital technology like AI, DS, IoT, 3D printing and Design etc.

#### Institutional Challenge

- Bridging the gap between curriculum and evolving technology, being an affiliated Institution.
- Interdisciplinary collaboration and research and Interactions with industries for consultancy.
