Event Objective

- Making the students be aware of The Institution of Electronics and Telecommunication Engineers(IETE),
- Inaugurate IETE Students Forum (ISF) and Introducing ISF Committee Members.
- To promote the general advancement of telecommunication engineering, electronics and multidisciplinary subjects and their application.
- To facilitate the exchange of information and ideas on these subjects amongst the IETE student members and faculties of the Institution.

Event Summary

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. IETE has also been doing various activities to encourage the Students community to enrich their scientific & technical skills. To take advantage of this, IETE Students' Forum (ISF) has been formed with participation of 115 students and inaugurated by Chief Guest Dr.S.Ramprabhu and Committee members were introduced. Dr.S.Ramprabhu gave an introductory address about various professional societies and their importance. He appreciated the efforts of the Department in starting this forum and emphasized on benefits of students participation in such events to develop their technical knowledge. He elaborated on the awards given by the forum and their significance. He also briefed the students on the various financial supports that the forum offers. He also delivered a special talk on the topic "Electromagnetic Interferences and Electromagnetic Compatibility" for the benefit of the students. Finally Feedback was collected from students about the event.
