Event Summary

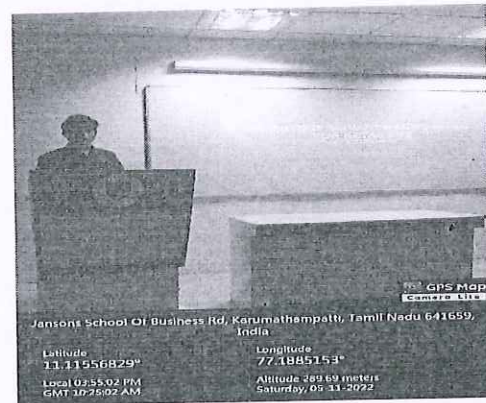

JIT –ISF (IETE Students Forum) in association with JIT –IIC organized “Innonics Ideation Contest” on 5.11.2022 at Seminar Hall. Students Chairman P.Manisankar started the event with opening notes on ideations and student Secretary T.Brinda Prakhasa Dharshini welcomed the gathering. IETE faculty coordinator R.Kowsalya talked about the importance of ideation in the design process. She told that Ideation provides large quantity of ideas to inspire new and better design solutions and products. Ideation makes the students to take a Step beyond the obvious solutions and therefore increase the innovation potential of their solution. It covers unexpected areas of innovation and Create volume and variety in our innovation options. P.Manisankar and team presented their ideas for Inventory Management system for Retailers. C.Subarna and her team presented their ideas in implanting biochip into human bodies. T.Brinda and her team presented their ideas to monitor hazardous working areas like mining, smelting, furnace through Internet of things and safe guard the lives of many persons. Finally Logesh and team listed their ideas for energy management systems in educational institutions. At the end feedback was collected from students for the event.
