Speaker Details

Name : Dr.M.M.Matheswaran
Designation : Associate Professor, Department of Mechanical Engineering,
Affiliation : Innovation Ambassador , JIT-IIC
Topic : Awareness Seminar on "Innovative Product Design"

Event Objective

The objective of the event is to share the importance of Innovative in a Product Design to the young minds for lateral thinking

Event Summary

An Awareness Seminar on "Innovative Product Design" was conducted by the Indian Institute of Production Engineers (IIPE), Department of Mechanical of Jansons Institute of Technology on 23.09.2022 at Sivaganga Auditorium. The event was presided by Dr.M.M.Matheswaran, Innovation Ambassador, JIT Institution's Innovation Council (JIT-IIC). Students of Civil Engineering, Electrical Engineering & Mechanical Engineering were participated in the seminar. The session was started with the welcome address delivered by Mr.K.Chidambareswaran, IV Mech. A total of 98 participants (95 Students and 03 faculties) actively involved in the session. The presentation of the guest was focused towards the Innovation need in a new product design. The Importance of Innovation in a Product Design, needs & benefits were elaborately explained with related case studies to the participants. Discussion session was taken part after the presentation; Participants clarified their doubts and share their view about Innovative design. The session was ended with a vote of thanks. Participants shared their feedback about the session through online mode, which was informative and will be helpful in their lateral thinking enhancement.
