Event brief (500 words with photo):

JIT ISTE Student Chapter organized a Competition on "Android App Development" for the students who are interested to develop a new android application and wants to improve their flair towards creativity and technology.

Rules and regulations to be followed for the competition were announced via JIT- Student gram group. Fifteen students participated in this contest. Based on originality, Language, frame kit, rate user interface and concept Integrate API, three participants were selected and awarded the prizes to them.

Outcomes	Students got an exposure in App development and they exhibited their creativity.
Feedback	Good
Suggestions / Future actions	Program to be planned for further academic years
