Event Objective

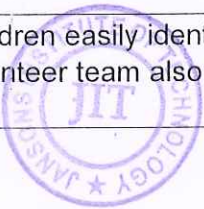

The motto of the event is to help children better understand and how to protect themselves from abuse.

Event Summary

The awareness programme on "Good Touch Bad Touch" was created for the Panchayat Union Middle School students on 10.3.2022 at PUPS, Chennappachetty Pudur .Welcome address is given by Ms. Sindhu, II CSE and gathered all the students. Any touch that makes the child happy or secure is good. Any touch that makes a child afraid, uncomfortable or nervous is a bad touch. Our NSS Volunteer Mr. Tamil Selvan, II CSE conversed about good touch and bad touch which helped them understand the importance and meaning of safe and acceptable touch. It helps them understand that they can say "NO". It made them aware and sensitized them towards things like child sex abuse. Students learnt more about good touch and bad touch. They got an idea about it and became aware of it. We taught the children what to do if someone tries a bad touch, and what to do if someone tries a good touch. At last Haripriya, II CSE gave a vote of thanks.

Event Objectives

Children easily identify the kind of people and protect them from abuse. Through this session our NSS volunteer team also learn clearly about the handling of children.
