Event Objective

The main objective of the event is to make students realise their own skills and improvise the basic required skill as well as the skills they're good at.

Event Summary

Skill development as a part of school education is indeed important to establish a strong foundation for a thriving future. Self-awareness, excellent communication skills, problem solving and critical thinking capabilities are some of the important benefits of learning through a well-rounded curriculum. The gathering was welcomed by Mr.Sri Siva Ranga Sai Gatta ,II CSE,JIT. On keeping this on mind the NSS volunteers of Jansons Institute of Technology along with Mr F. Alexander, Assistant Professor of JIT visited the students of Panchayat Union Primary School and trained them with some basic skills and also identified the unique skills of some students and insisted them to work on it. The basic skills include writing, reading, drawing, craft and communication. Also the volunteers kept the students engaging by conducting various activities. Finally, the event was ended with vote of thanks given by Ms.Madhuri ,II ECE ,JIT

Event Outcomes

At the end of the event the students of Panchayat Union Primary School developed some basic skills and identified which skill they're good at. Some were good at drawing, writing, reading, speaking etc. The event really helped both school students and NSS volunteers to understand the necessity of skills requirement.
