Event brief (500 words with photo):

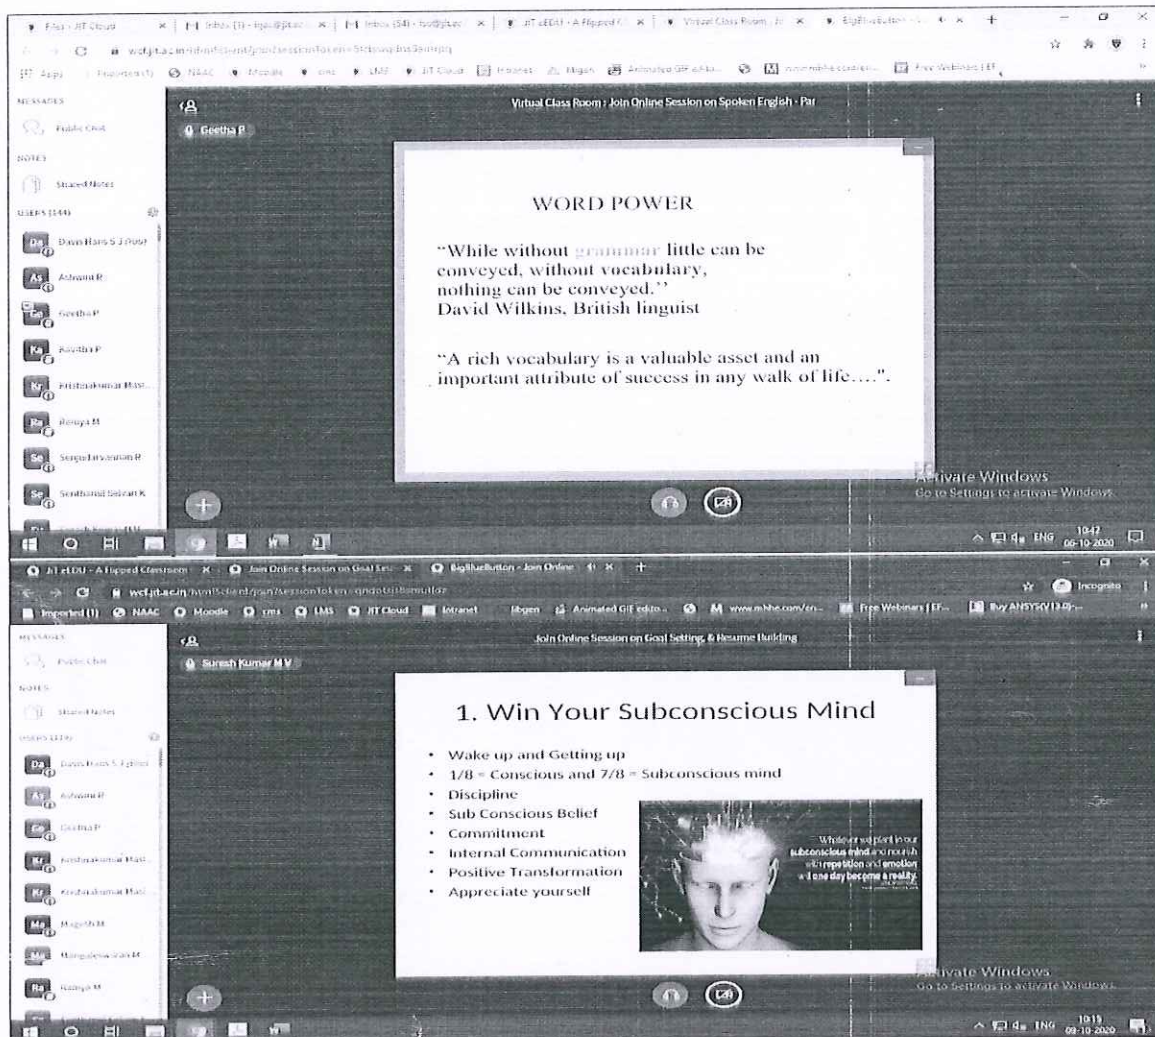

A ten day workshop on “Personality Development Programme” was organized by JANSONS INSTITUTE OF TECHNOLOGY (JIT), 5th October, 2020. The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. The programme also aimed to teach participants to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self-appraisal and introspection) for further growth, personally and professionally.

With a view to promoting positive thinking, team spirit and overall dynamism in students, JIT conducted Personality Development Programme from 5th oct 2020 to 16th oct 2020. The number of activities outlined during the full session, the online PDF a panel of program presided over the activities, the students were put to grueling session wherein they were judged for creative decision making, problem solving, communicative ability etc., The workshop adopted the processes demonstration-cum-discussion, presentation/lecture-cum-discussion, group work, group presentation, assignments and video viewing. Many experts in various Domains gave the thunder speech to the students through online, for student’s savoriness.
