Event brief (500 words with photo):

The VE-SIP cell organized Debate on "CAN TECHNOLOGY DETERMINE HUMAN VALUES" on October 9th 2021. Two teams with 10 members each participated in the debate. Above 50 participants attended this debate. Human values includes morals, integrity, peaceful life, respecting others, honesty(Truthfulness and trustworthiness), caring, kindness, courage, sharing, time management, adjustment(co-operation), self confidence, commitment, spirituality and Service-learning a teaching method etc.

The debate was worth-enjoying for the audience. Every debater was cheered and clapped up for their pleasing presentation and sharp arguments. The debate revealed many aspects of human values before the audience. Finally, Dr. R. Senjudarvannan concluded the session as technology can't over rule the human values.
